About us

Lusaka – based Mama Tembo Tours is owned and operated by Leslie Nevison.

She and her husband of 40 years have called 13 countries home since 1990, among them Tanzania, Zambia, Zimbabwe, the Republic of Congo, Gabon and Benin.

Mama Tembo Tours customizes private safaris for individuals, couples, and small groups. Signature creations are diverse safari itineraries which include remote location "gems"; spontaneous cultural interactions; and first-class wildlife observation. Leslie's programs appeal to those seeking highly personal, quality travel; informed advice over the sugar coating of a destination; and who are as comfortable with bumpy roads in the search for uniqueness as they are with a luxury tented camp or beach resort.

It is rare that anyone returns home disappointed with their safari, but they might not be aware of what they didn't see, how much better it could have been.

Leslie wants to ensure that her clients are aware of every option for their African adventure of a lifetime, no matter how they define that adventure. She gives informed, honest and independent advice and one-on-one support.
